Greetings!

Thank you for your interest in volunteering at the Eagle River Nature Center. We could never accomplish all that we do here without the time and dedication put in by hundreds of our local volunteers. We hope that you'll join this special group of people at the Nature Center.

For starters, we ask that you complete the "Local Volunteer Interest Form" so that we may gain a better understanding of how best to match up your skills and experiences with our needs. As soon as we receive your completed form, our staff will get in touch with you to schedule a brief interview with you. Afterwards, we'll get you started! It's quite simple, but a lot is left "in your ball court" so to speak.

Because our staff is so small and we have many things to accomplish, we hope that you will understand that we are looking for volunteers who can commit to coming on a fairly regular basis. If you are only able to volunteer occasionally, please let us know and we will call on you for help with special events.

Thanks again for your interest and we hope you can join us. I'm sure you'll find it very rewarding.

Sincerely,

Asta Spurgis
Executive Director
